# Andersen Tax Flash

The UAE Ministry of Finance (MoF) has recently issued a digital public consultation paper on the Potential Introduction of R&D Tax Incentives in the UAE. UAE's Ministry of Finance is keen on seeking inputs from stakeholders into the design process of the potential R&D Tax Incentive.

Consultation Paper constitutes of the consultation questionnaire and guidance paper. The consultation can be accessed from this link - <https://mof.gov.ae/consultation-on-the-potential-introduction-of-rd/>

# Andersen Tax Flash

 **The consultation paper is open for public comments till 14 May 2024.**

The public consultation has been released pursuant to the UAE Government recognition of the importance of the wider benefits created by R&D in driving innovation and growing its knowledge base as part of creating a vibrant and diverse economy.

 **Please watch out for our detailed alert on this topic.**
